INSIDE THIS ISSUE

- Wildridge Staff
- Dues Increase
- Social Committee
- Board of Directors

The speed throughout the park is 15 mph for ALL vehicles. This includes cars, trucks and ULMV's. The only exception is around the pool and Day Lodge where the posted speed is 5 mph. This speed limit is set for the safety of all our members big or small, two or four legged. There is absolutely **NO EXCUSE** to speed through here and jeopardize the safety of our members. **PLEASE OBSERVE THE SPEED LIMIT!!!**

WILDRIDGE STAFF

Park Manager	Dana Wigley
Admin Asst.	Deb Meadows
Maintenance	Reggie Pruitt
	Jimmie Goins
Guards	Randy Landreth
	Charlie Huff
	Patty Landreth
	James Nichols
	Bernie Spahalski
	Rex Anderson
	Nick Ashby
	Dustin Sullivan

SOCIAL COMMITTEE

Once again, no new members volunteered to head up the social committee for next year. Therefore, the current officers will remain for another season. As always, they welcome any volunteers who wish to help out. Even if you cannot commit to helping at each event, pick just one to help at and come to a meeting and sign up to help at that event. These events are what raises the funds to make it possible to purchase pool chairs, bingo supplies, shelter house improvements, and other improvements they have planned. Thanks to these special ladies and their significant others who work hard to help make this park the fun place we love.

JAYNE DANN - PRESIDENT
JANET CAFFEE - V PRESIDENT
JULIE SAETTEL - TREASURER
KATHY LITCH - SECRETARY

TWO MEMBERS STEP UP TO FILL OPEN BOARD OF DIRECTOR OPENINGS

We had two members turn in their resumes' for the two positions that are vacating on the board of directors. Since there were only two openings and two candidates, they were automatically appointed without the need for an election. The deadline for submitting resumes' is the second Sunday in June . This is stated in the Wildridge Association by-laws and is posted in the day lodge and the website. A reminder was also posted in the summer newsletter and on Facebook Wildridge Addicts.

2016-2017 BOARD OF DIRECTORS

Jay Papp - President
Leatha Reid - V President
Forest Timberlake - Treasurer
Eric Mayfield - Secretary

Ron Meadows - Director
Shawn Daniel - Director
Rick Shoemaker - Director

SPRING 2017 CLEAN UP

With the wet summer we have had, it has caused many places to have that unsightly green mold on the outside . It takes only a solution of bleach water sprayed on and then hosed off or power washing to remedy. It's time to clean up the abandoned boats, golf carts, etc. that are sitting around on lots that haven't moved in many years. If you have an untagged ULMV or boat on your lot that is not in use, please make arrangements to either get it running and tag it or remove it from the park. Our goal for next year is to work diligently to continue cleaning up the park. If you have any areas of your lot that are not in compliance with the rules and regulations, please contact the manager to work on a plan to clean it up by next spring.
